(c) No Unit shall be used or maintained in a manner contrary to or inconsistent with the By-Laws of the Association, the Articles and By-Laws of the Corporation, the Nagog Woods Restrictions, rules and regulations promulgated pursuant to the foregoing documents, and any and all amendments to the foregoing documents.

Said restrictions shall be for the benefit of the owners of all of the Units, the Association and the Corporation,

and shall be enforceable by the Board of Managers or Board of Directors of the Corporation, as the case may be, and shall, insofar as permitted by law, be perpetual; and to that end may be extended at such time or times and in such manner as permitted or required by law for the continued enforceability thereof. No Unit Owner shall be liable for any breach of the provisions of this paragraph except such as occur during his or her ownership thereof.

9. Amendment of Master Deed. This Master Deed may be amended by the vote of at least 66 2/3% in common interest of all Unit Owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws, or in lieu of a meeting, any amendment may be adopted by a writing signed by 66 2/3% in common interest of all Unit Owners, provided, however, that without the consent of any Unit Owner (a) the Grantor, or its successors in title to the land shown as Phase II on Sheets 2 and 4 of the Condominium Plan, may at any time prior to April 1, 1975 amend this Master Deed so as to create said Phase II, (b) if said Phase II is so created, the Grantor, or its successors in title to the land shown as Phase III on Sheet 3 of said Plan, may at any time prior to December 31, 1975, amend this Master Deed so as to create said Phase III, and (c) if said Phase III is so created, the Grantor, or its successors in title to the land shown as Phase IV on Sheet 4 of said Plan, may at any time prior to December 31, 1977, amend this Master Deed so as to create said Phase IV, provided, however, that any of the foregoing amendments shall require the written consent of the Mortgagees. Any such amendment shall contain with respect to Phases II, III or IV referred to therein all the particulars required by said Chapter 182A and from and after the recording of such amendment

or amendments, the Condominium shall include the Units and Common Elements included in said Phases II, III or IV, respectively, and provided further, that the Grantor or its successors in title to said Phases II, III or IV shall have the right, prior to the execution and recording of the amendment creating each such phase, to change the number, size, layout, location and percentage interest in the Common Elements of Units in Phases II, III or IV, provided that no such changes shall alter the percentage interests in the Common Elements set forth in this Master Deed or in any amendment hereto with respect to Units in a Phase or Phases which have already been submitted to the provisions of said Chapter 183A. No amendment to this Master Deed shall be effective until it is recorded in the Middlesex South Registry of Deeds. Notwithstanding anything to the contrary herein contained, paragraphs 2, 9 and 17 of this Master Deed may not be amended (i) without the written consent of the Grantor so long as the Grantor owns at least ten (10) Units in the Condominium and (ii) without the written consent of the Mortgagees so long as the Mortgages or any extension or renewal thereof remain of record. Such written consent may be evidenced by a document in form suitable for recording executed and acknowledged by the Grantor and/or the Mortgagees, as the case may be, which shall be recorded with, or as part of the amendment.

10. Determination of Percentages in Common Elements.

The percentages of interest of the respective Units in the Common Elements have been determined upon the basis of the approximate relation which the fair value of each Unit on the date hereof bears to the aggregate fair value of all the Units on this date.

11. Encroachments. Each Unit is conveyed subject to and with the benefit of an easement of encroachment in the event that said Unit encroaches upon ~~any~~ other Unit or upon any portion of the Common Elements or in the event that any other Unit or the Common Elements encroach upon said Unit, as a result of the construction or repair of the building or as a result of the settling or shifting of the building to the extent of said encroachment.

12. Pipes, Wires, Flues, Ducts, Cables, Conduits, Public Utility Lines and Other Common Elements Located Inside of Units. Each Unit Owner shall have an easement in common with the owners of all other Units to use all pipes, wires, ducts, flues, cables, conduits, public utility lines or other Common Elements located in any of the other Units or elsewhere in the Condominium serving his Unit. Each Unit shall be subject to an easement in favor of the owners of all other Units or portions of the Condominium to use the pipes, wires, ducts, flues, cables, conduits, public utility lines and other Common Elements located in such Unit and serving other Units or Common Elements or other portions of the Condominium. The Board of Managers shall have a right of access to each Unit to inspect

the same, to remove or terminate interference therewith or abuse thereof, and to maintain, repair or replace the Common Elements contained therein or elsewhere in the Buildings.

13. Use of Common Elements in Common With Others.

Except as to those Common Elements for which exclusive rights and easements in favor of certain Units are created by this Master Deed, each Unit Owner shall have the right to use the Common Elements including the roads, paths and walks on which his Unit abuts and including the principal driveway from Nonset Path, in common with all others entitled thereto as provided in the By-Laws of the Association, the Nagog Woods Restrictions, the rules and regulations adopted thereunder, together with any amendments to the foregoing documents.

14. Acquisition of Units by Board of Managers.

In the event that (a) any Unit Owner shall convey his Unit to the Board of Managers, together with (i) the undivided interest in the Common Elements appurtenant thereto, (ii) the interest of such Unit Owner in any other Units acquired by the Board of Managers or its designee on behalf of all Unit Owners or the proceeds of the sale or lease thereof, if any, and (iii) the interest of such Unit Owner in any other assets of the Condominium (hereinafter collectively called the Appurtenant Interests); (b) the Board of Managers shall purchase at a foreclosure or other judicial sale, a Unit, together with the Appurtenant Interests; or (c) the Board of Managers shall purchase a Unit, together

with the Appurtenant Interests, for use by a resident manager, then in any of such events title to any such Unit, together with the Appurtenant Interests, shall be acquired and held by the Board of Managers or its designee, corporate or otherwise, on behalf of all Unit Owners. The lease covering any Unit leased by the Board of Managers, or its designee, corporate or otherwise, shall be held by the Board of Managers, or its designee, on behalf of all Unit Owners, in proportion to their respective common interests.

15. Units Subject to Master Deed, Unit Deed, By-Laws, Nagog Woods Restrictions, and Rules and Regulations.

All of the Units shall be subject to the provisions of this Master Deed, the Unit Deed, the By-Laws of the Association, the Nagog Woods Restrictions, and the rules and regulations, as they may be adopted from time to time, together with any and all amendments to any of the foregoing documents. The acceptance of a deed of a Unit shall constitute an agreement that the provisions of this Master Deed, the Unit Deed, the By-Laws of the Association, the Nagog Woods Restrictions, together with any amendments thereto, and the rules and regulations, as they may be adopted from time to time, are accepted and ratified by such owner, and that all of such provisions shall be decreed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed and shall be binding upon any tenant, visitor, servant or occupant of such Unit.

16. Invalidity. The invalidity of any provision of this Master Deed shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Master Deed, and in such event, all of the other provisions of this Master Deed shall continue in full force and effect as if such invalid provision had never been included herein.

17. Removal from Provisions of Chapter 183A. In the event that prior to the creation of Phases II, III or IV by amendment of this Master Deed, as provided in paragraph 9 hereof, the Grantor or its successors or assigns shall elect to remove the land hereinafter referred to from the provisions of Chapter 183A, or either Mortgagee shall foreclose its mortgage or accept a deed in lieu of foreclosure, then forthwith upon the recording of such election to remove and the written consent to such removal of the Mortgagee or Mortgagees, if if any, of record at the time of the recording of such election, or in the case of a foreclosure or deed in lieu of foreclosure, at the time immediately following the recording of the affidavit of sale delivered in connection with a foreclosure by sale or the recording of said deed or the recording of a certificate of entry, whichever occurs first, the land shown as Phases II, III and IV, or Phases III and IV if Phase II has already been created, or Phase IV if Phases II and III have already been created, shall be and be deemed to be removed from the provisions of said Chapter 183A, and the interest, if any, of any Unit Owner in Phase I, Phases I and II, or Phases I, II and III, as the case may be, shall forthwith with respect to the land included in Phase II and/or Phase III and/or Phase IV, as the case may be, terminate and the entire fee interest

in said land so removed shall revert in the Grantor and/or the Mortgagees, or any successors or assigns of record, as their interests may appear. By acceptance of a Unit Deed, each Unit Owner shall thereby irrevocably appoint the Grantor and its successors in title to the land shown in Phase II and/or Phase III and/or Phase IV as his attorney to execute any and all instruments necessary or appropriate to remove said land from the provisions of Chapter 183A in accordance with the requirements of Section 19 thereof, and to revert title thereto in the Grantor or the Mortgagees, as their interests may appear, and does further agree for himself and his successors in title to execute, acknowledge and deliver any and all instruments necessary or appropriate to effect said purposes.

18. Waiver. No provision contained in this Master Deed shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

19. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Master Deed nor the intent of any provision hereof.

20. Definitions. All terms and expressions herein used, which are defined in Section 1 of Chapter 183A, shall have the same meanings herein unless the context otherwise requires.
