Re: Boxborough – BWR – GW #654
314 CMR 5.00, Groundwater Discharge
Brookvillage Condominiums

Dear Mr. Guild:

This is in response to your recent e-mails concerning the status of the groundwater discharge permit (#654) serving the Brookvillage condominium complex located on Swanson Road in Boxborough, MA.

The permittee filed a timely application to renew the groundwater discharge permit received on December 21, 2016. The permit application is still in process as discussions between Brookvillage and MassDEP continue. The permit status is extended to March 1, 2022, in order for Brookvillage Condominium Association to resolve any outstanding issues.

If you should have any questions concerning this matter please feel free to contact me at David.boyer@mass.gov.

Sincerely,

David Boyer, P.E.
