

# Chelmsford Favorites

RECOMMENDATIONS TO THE LOCAL SCENE

*Sutherland*  
REALTY GROUP

**KW BOSTON NORTHWEST**  
KELLERWILLIAMS. REALTY

Once a farming community, the town of Chelmsford was settled in 1653 and originally was double the size it currently is, as it included parts of what are now Westford and Lowell. The Middlesex County town of a little over 30,000 people is mostly residential and prides itself on its residents' "enthusiastic sense of volunteerism and engagement."

## No. 1 Family Fun

### Friendship Park

Toddler, medium and big kid playground. Zip line.
